

REMARKS

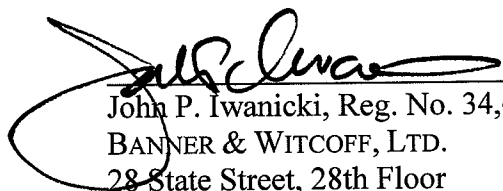

In the present Office Action, the Examiner has rejected the pending claims as being indefinite. In particular, the Examiner has requested that applicants clarify the claim with respect to the term "dispenser," the "monomer and polymer" and "to allow." In response, the claims have been amended to call out the "one or more dispensers" recited in the claims, the "one or more solutions" recited in the claim and to clarify that the dispenser performs the dispensing steps consistent with the Examiner's understanding of the claims.

Having addressed all outstanding issues, Applicants respectfully request reconsideration and allowance of this case. The Commissioner is authorized to apply any additional charges or overpayment to Deposit Account No. 19-0733.

Respectfully submitted,
